There are few things in life as rewarding as helping a special needs child fulfill a dream. It is within our power to enrich their lives with extraordinary gifts of communication, movement, freedom, and knowledge. Please take a look at the SEDOL Foundation 19th Annual Golf Invitational Sponsor List. Your generous support provides Lake County's special needs children with pathways to a fuller life.

Stonewall Orchard Golf Club 18th Hole

Join us for a great day of golf at Stonewall Orchard Golf Course in Grayslake, Illinois and help Lake County's special children.

Founded in 1991, the SEDOL Foundation is dedicated to helping Lake County's special needs children by raising money for projects and needs not covered by the Special Education District of Lake County. These include such things as adaptive equipment, specialized learning devices, support programs, and our very active "Send a Kid to Kamp" summer camp program.

The annual SEDOL Foundation Golf Invitational is one of our main fundraising events — 100% of the proceeds go to fund our programs for Lake County children with physical, emotional and mental disabilities, and their families. When you join us at this exciting event, you'll be helping some very special people.
